

## Declaration of consent for tapio registration

Within the scope of the quote, order or service contract—hereinafter "Quote/order"—

|                         |      |                 |   |
|-------------------------|------|-----------------|---|
| Proposal Number:        |      |                 | → Can be found in the header of the proposal                  |
| or                      |      |                 |   |
| Sales Agreement Number: |      |                 | → Can be found in the header of the sales agreement           |
| or                      |      |                 |   |
| Service contract:       |      |                 | → The contract number can be entered retrospectively by HOMAG |
|                         | Date | Contract Number |   |

Between — hereinafter "Customer" —

|                         |  |
|-------------------------|--|
| Company name:           |  |
| Street and property no. |  |
| ZIP:                    |  |
| City:                   |  |
| Country:                |  |

And — hereinafter "HOMAG" —

**HOMAG GmbH  
Homagstraße 3-5  
72296 Schopfloch  
Germany**

1. If you are not yet registered with tapio, HOMAG will be granted permission to register you, using the company data above, with **tapio GmbH, Karl-Berner-Str. 4, 72285 Pfalzgrafenweiler ("tapio")** and to create a tapio customer account. This permission covers the sharing of your personal data with tapio.
2. The registration itself is free of charge
3. With their signature at the end of this document, the signatory declares their agreement with the terms of use for tapio, which can be downloaded here: <https://tapio.one/en/tapio-terms-of-use>

4. A tapio user account is required to use tapio. The following user account shall therefore be created:

|                  |  |
|------------------|--|
| First name:      |  |
| Last name:       |  |
| E-Mail- address: |  |

5. The user named in section 4 shall receive an email from tapio to activate their user account. In this step, the user shall assign a password. You can only use your tapio-based services once the email has been activated.
6. With their signature at the end of this document, the signatory agrees to tapio's statutory data protection declaration (<https://tapio.one/en/policy>). If the Customer purchases tapio services from HOMAG, this means that the Customer allows HOMAG to share all data relating to the order with tapio.
7. The document available to download from: <https://tapio.one/en/tapio-GDPR-info> contains more information about how tapio handles your personal data (Article 13 GDPR ). It can also be downloaded and printed.
8. Where applicable, HOMAG is also permitted to register the machines purchased in the Quote/order in your newly created tapio customer account. If the Quote/order concerns a contract directly relating to machines (e.g. for existing machines), HOMAG is permitted to register these machines in your newly created tapio customer account.
9. If tapio-based software services have also been purchased in the Quote/order, HOMAG is also permitted to assign these licenses to the new customer account in accordance with the Quote/order (number and term).
10. HOMAG is permitted to share the name of the above-mentioned tapio user with tapio to link the user and the machines named under section 8 with the newly acquired licenses.

**Decline tapio Registration:**

The tapio platform offers tools to help support customers as quickly as possible. These tools range from remote diagnostics to mobile technical support and more. By declining the registration process, these tapio services will not be available and could cause extended delays in the support process.

By signing below, the customer acknowledges they are declining the tapio registration process and accompanying apps, services and benefits associated with tapio. However, these tools can be re-activated with your consent at a later time if desired.
